The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Imagine you are 10 years old. You go on a long expected fishing trip with your dad. You are out all day and catch a few fish. You go home expecting a large fish dinner. Instead you find out you can only have half a fish and your pregnant mom can't have any. The next day your brother is sick.
